Nominated by Day Program Manager, John Gichuri
Wilfred has a wide range of experience working with the individuals that we serve in different settings. He started working for the group home in Somerville before transferring to the Hillsborough Day Program, where he worked many years. Early 2014 Wilfred transferred to the Union Autism day program and has continued to work and inspire the team here in a very positive way. He brings positive energy to the day program through meaningful interactions with service recipients. Worth noting is that Wilfred has worked for CFIS for more than 10 years and is always willing to share his experiences with the new staff to help them settle down fast. Wilfred is always energetic, jovial and takes on additional assignments in stride. For these and many reasons we are happy to have Wilfred as the May Employee of the Month.
