María Parra

María Parra has been working as a Direct Support Provider for The Center for Family Support since September 2018 and has cultivated relationships built on trust and respect with our service recipients during this time. She is always making her best effort to satisfy the service recipient's needs in order to make a difference in their lives.

I would like to nominate María for her loyalty to the families that she works with, her job performance, and her outstanding attendance.

María continuously displays the following competency areas:

Competency Area L: Education, Training and Self-Development Activities.

María constantly demonstrates that she has the skills needed to perform her duties. She will always corroborate with her supervisor if she feels that any new policy or protocol is unclear. This enables her to adhere to best practices.

Mrs. Parra is very involved in attending and participating in all of her required CFS trainings. She is never late in completing her tasks.

Competency Area P: Supporting Health and Wellness.

María's current service recipient has high cholesterol and has problems with his weight. She is helping him by promoting a healthy diet, accompanying him to the gym and also including some swimming into his routine. These steps that she has taken have improved her service recipient's quality of life.

Mrs. Parra takes part in nutritious meal planning and in the preparation, storage and handling of food. She instructs service recipients on how to employ healthy and hygienic techniques when preparing meals.
