

# VaxxMatters

## COVID-19 VACCINE INFO

The presentation will be given by a Public Health Educator who works at NYC Health & Hospitals/Lincoln.

**THURSDAY 1/14/21**

12:30pm-1:30pm English

2:30pm-3:30pm Spanish

<https://cfsny.zoom.us/j/96211480557?pwd=N2RCRm9kdUVJUHNqQVp2aWFjVXhxdz09>

<https://cfsny.zoom.us/j/96427128608?pwd=SlI6Qm92ajJxNOR5QjZ2SHdHRmlzZz09>

## WHERE TO GO:

We have a new page on our website <https://www.cfsny.org/covid-19-vaccine/>

Use this page to find links to websites to schedule appointments for both NY and NJ.

If you need an employment verification letter, please reach out to HR to provide.

Congrats Gavin, Sharon, Wilfred, Casilda and Barbara on getting your vaccine!

## WHY VACCINATE ?

"Vaccines are a powerful weapon in the fight against disease, but only if they are taken. We encourage all staff who are eligible to consider getting the COVID-19 vaccine. Like many of you, I spent the holidays separated from family and friends. I would like to spend next year hugging the people I love and cooking way too much food for a houseful of people. Why vaccinate? I have a lot more living to do, I care about my community and I miss my family."

Barbara Greenwald - Chief Operating Officer

## BEEN VACCINATED ? ENTER RAFFLE DRAWING!

If you have been vaccinated, send a copy of the COVID 19 Vaccination record card to be entered into raffle drawing where we will select one person for \$100 gift card each week.

All staff should send vaccination record to HR via email [HRVaccStats@cfsny.org](mailto:HRVaccStats@cfsny.org). In NY, we are required to report percentages of staff who have been vaccinated but the report does not require the use of names.

## WE WANT TO HEAR FROM YOU!

Please fill out survey if you have not already.

Quote from survey responder

"Was very excited about getting the vaccine . I consider it an extra layer of protection not everything is 100 percent but anything and everything helps."

As of 1/12 - 37% of staff who responded to the survey have already received the vaccine.

67 % who are interested in the vaccine are interested in getting the vaccine as soon as possible
