Why Vaccinate?

Get back to back to what you love

Here are some ways that CFS team members are getting back to doing the things that they love. Also check out more stories on YouTube <https://blog.youtube/news-and-events/covid-19-vaccines-get-back-what-you-love/>

Frank said, "I am looking forward to going to an indoor movie theater with my friend since we are both vaccinated."

Lois said, "I will be going to in person church this Sunday for the first time in over a year! "

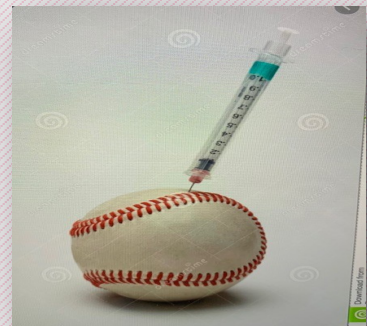

Evelyn said, "I need to lose COVID weight, so now that I am vaccinated, I am headed right to the gym!"

Arlene said, "My wife and I can now safely celebrate our anniversary meal at an indoor restaurant."

Mariana said, "My mom and I will be toasting a glass of wine together in person this year instead of on Zoom."

Batter up or in this case Vaccinate up!!!

"You take a vaccine shot, get a voucher, you go to that game. If that game is sold out, you can go tomorrow night or a game of your choice." Randy Levine, President of the NY Yankees. The Mets and Yankees will reopen the stadium on May 19 but with different rules and sections for vaccinated and unvaccinated people. Those who are vaccinated will be seated in sections at normal capacity but must still wear a mask. Those who are unvaccinated will be separated in a separate section that allows only 33%, six feet distance apart and must also wear a mask.

Broadway Reopening

Gov. Cuomo announced that Broadway tickets are going on sale on May 6, for full capacity shows with performances starting September 14, 2021.

A reminder that ChemRX are interested in hosting another vaccine clinic at our CFS Bronx office. They will be offering the Moderna vaccine. We do not have a date yet, but if you are interested, please email Shyanne Gadson sgadson@cfsny.org to be placed on a list.

Approximately 264 staff and 143 people supported at CFS have been vaccinated so far and we continue to make appointments.

If you want to share your vaxxies or if you have questions that we might be able to answer for VaxMatters please send to jcropper2@cfsny.org

We are developing relationships with various vaccination sites throughout NY and NJ. If you are interested in receiving the vaccine contact your direct supervisor and/or the following depending on state or program so that we can reach out to you.

Don't forget to send in your vaccination card when you get vaccinated to HRVacstats@cfsny.org You can be entered into a raffle drawing and win \$100 gift.
